

Puzzle Pattern Contest

Puzzle 5

Grand Slam

A nagram

Okay, here it is. Time to slam this contest, and the new puzzle pattern, home. I've been telling you all week that you'll use the crazy answers from the first four puzzles in this, the final puzzle. Well, the first four puzzle answers are all anagrams of the pattern title. Your job now is to figure out the title of the pattern, which reveals something about the subject of the pattern. So dig out your answers from earlier puzzles and rearrange the letters.

To submit your entry, send an e-mail to mail@funkandweber.com with P A T T E R N P U Z Z L E C O N T E S T in the subject line and the pattern title in the body of the letter. Answers must be submitted before midnight (by 11:59 p.m. Alaska time), August 6th, 2008. That gives you a whole extra day to work out the answer. Winners (and a picture of the design) will be posted on the blog on August 7th, provided I can get online. I will be in the Bush again, with satellite internet that doesn't work when the weather is especially bad. The area is a rainforest, so we do get some lousy weather. Winners will also be notified by email. Prizes will be mailed on or around August 12th.
